

YORK UPG CONTRACTORS: Wrightsoft and Luxaire Right-Suite Software Training Program

An Invitation to Luxaire Contractors and HVAC Designers:

Wrightsoft and York International UPG have implemented a dealer training program for Right-Suite Residential and Commercial HVAC design and sales software.

Your local Luxaire distributor may be participating in this program by sponsoring Right-Suite trainings. To find out more about this program and how you can attend great trainings on how to use the finest automated HVAC design and sales software, call Wrightsoft sales at 800-225-8697 or call your Luxaire distributor to request a training.

Highlights of the New Right-Suite Luxaire Training Program:

As a Luxaire Dealer or Designer You Get Great Training & Great Software:

- As a Luxaire dealer or HVAC designer you are now eligible to attend Right-Suite software trainings at your local Luxaire Distributor at potentially reduced prices.
- Right-Suite trainings have already schooled thousands of HVAC contractors and designers throughout the United States and Canada. Right-Suite trainings are designed to make contractors and HVAC designers more productive, professional and effective in the process of designing and selling residential and commercial HVAC systems.
- New **sales proposal enhancements** to Right-Suite Residential enable contractors to prepare one-stop professional sales proposals and presentations complete with digital images of Luxaire equipment. **Call Wrightsoft sales today about the new product Right-Proposal Plus.**

Why You Should Attend a Right-Suite Luxaire Training:

- Set yourself apart from your competition by learning how to use the best Manual-J loads, Manual-D ducts and automated parts take-off and sales proposal software available today
- Cut your time dramatically in the load, duct design and job sales and quotation process
- Accelerate your return on investment in Right-Suite Software
- Increase your productivity and close ratio in selling
- **Each 2-Day Right-Suite Residential** Luxaire training will include a demonstration of the newest sales presentation module to RSR: Right-Suite Proposal Plus. Right-Suite Proposal Plus is a powerful sales presentation system, which enables you to prepare one-stop sales proposals using Luxaire equipment images.

For an overview of these classes, visit www.wrightsoft.com/yorkupg/luxaire and click on either the Residential or Commercial training sheets. Lunch is included in the class.
